TITLE ACT CLARIFICATION

Individuals who:

- have architectural degrees from schools accredited by the National Architectural Accrediting Board; and have established records with the National Council of Architectural Registration Boards to meet the registration requirement for completion of the Intern-Architect Development Program may use the title "intern architect."

Individuals who:

- are graduates of a 4-year engineering curriculum accredited by the Accreditation Board for Engineering and Technology; and have taken and passed the Fundamentals of Engineering examination prepared by the National Council of Examiners for Engineering and Surveying; and have been certified as "engineer interns" or "engineers in training" may use the title "engineer intern" or "engineer in training."
